We guarantee that an actual mating will occur and that live sperm are found in the bitch immediately after mating as evidenced by microscopic examination. In some special situations an artificial insemination will be provided if the bitch does not cooperate. If the bitch fails to conceive a return service at NO CHARGE will be given to this bitch provided the owner notifies us within fourteen days after the projected whelping date that no puppies were whelped. In addition, if the bitch does not whelp three live puppies, then a FREE STUD service to the original bitch or a mutually agreeable bitch is given at a mutually agreeable time. All transportation charges, testing, and veterinary expenses will be the responsibility of the owner of the bitch. There is NO CHARGE for boarding the bitch for seven days, then after the charge will be \$10.00 per day. This fee includes water, food, and exercise. We will supply pedigrees, photographs, and promotional materials of Lambos and will aid in the placing of puppies into good homes as a result from this mating for a fee.
