The Stud fee for CHAMP semen is \$ 2500.00 to be paid before semen is shipped to the suggested location. ONLY ONE BITCH IS USED WITH THE SHIPPING OF SEMEN. If it is used on more than one bitch, a stud service is to be given for each bitch. The stud fee is no way refundable. This is for the purchase of frozen semen. There is no guarantee on frozen semen. If the bitch does not conceive with frozen semen it is likely because of the female having difficulty or the timing was not right. That is why a competent Reproductive Veterinarian is recommended to perform the insemination

Von Evman is limited on the amount of frozen semen collected from CHAMP. We will therefore release only that amount of straws of frozen semen per stud service recommended by the storage veterinarian. All transportation charges and veterinary expenses will be the responsibility of the owner of the bitch. The pedigrees, photographs, and promotional materials of Champ can be downloaded on our website. The owner of the bitch is responsible for all the vet bills and the expenses for the insemination to the appropriate location. We request for the Veterinarian to do vaginal cytology, numerous progesterone tests and LH test on your female. These tests can be acquired by your Veterinarian. Multiple progesterone and LH tests must be done on the female in order for the female to conceive with frozen semen.

The owner of the bitch warrants that his/her bitch has not been exposed to any stud dog prior to the breeding and that he/she will protect her from exposure upon her end of heat cycle.

The owner of the bitch hereby releases from responsibility Eve’s Garden Inc. D/B/A/ Von Evman Rottweilers, Evie Lynn, or its officers from any and all liabilities and/or damages to said bitch or semen.

THE ABOVE AGREEMENT IS MADE AND SIGNED THIS _____ DAY OF _____ 20____ BY EVE’S GARDEN INC.
