

# VON EVMAN ROTTWEILERS

Breeder of Top Quality German Rottweilers

Dear Future Rottweiler Owner:

Enclosed please find our questionnaire to help us select the best puppy for your needs. If you are interested in purchasing a puppy from us it is imperative that you fill out the questionnaire and discuss with us exactly what you are looking for. We need to get to know each other and what exactly you want from your Rottweiler to help us make sure you receive the puppy best for you and your household. It is important for you to realize that you do not have to be a professional Rottweiler person in order to buy a dog from us. You don't even have to have experience with Rottweilers--just desire to make one a family member!

When you are purchasing a puppy from us we will go over with you the full care, feeding, training and any other questions you may have so you as a family will know the best way to raise your new 4 legged child. We will also provide you with a booklet of information to assist you on the care and basic questions that a new puppy owner may have. Florida law requires a puppy to be over 8 weeks old before it can go to its new home. Your puppy will have a series of shots up to the age it leaves here and into its new home. Your puppy will receive a full health exam from a Veterinarian and receive a Health Certificate stating your puppy is in good health.

A good, sound SHOW QUALITY puppy will cost approximately \$2,000.00+ depending on the parents' bloodlines, titles and age of the puppy. A PET/NON-BREEDABLE quality puppy which must be spayed or neutered will cost approximately \$1,000.00 to \$1,500.00. Please note that due to the quality of our Rottweilers we would like for new owners to book in advance so we can select the best puppy for you.

A \$500.00 binder is required to reserve a puppy which is part of the puppy's cost. If you have any questions please feel free to contact us by phone at 813-996-5012, fax 813-996-2831, visit our website [www.vonevmans.com](http://www.vonevmans.com), or send an email to [doginfo@vonevmans.com](mailto:doginfo@vonevmans.com). Do remember; a lot of preparation is involved in preparing information, paperwork, documentation, breeding and selecting your puppy and that requires payment of the binder. Once the binder is made; it is a commitment by the buyer to purchase a puppy and is therefore non-refundable. Please give us a call if you need to discuss the questionnaire or availability of the litters. Von Evman Rottweilers will be more than helpful in assisting you with training and care for your new adopted family member.

Thank you for your time and consideration! Have a pleasant day!
