

VON EVMAN ROTTWEILERS

Breeder of Top Quality German Rottweilers

Dear Future Rottweiler Owner:

Enclosed please find our questionnaire to help us select the best puppy for your needs. If you are interested in purchasing a puppy from us it is imperative that you fill out this questionnaire with the 1000.00 payment & write exactly what you are looking for and put it on the questionnaire. We need to get to know each other & what exactly you want from your Rottweiler to help us make sure you receive the best puppy for you & your household. It is important for you to realize that you do not have to be a professional Rottweiler person in order to buy a dog from us. You do not even have to have experience with Rottweilers--just desire to make one a family member!

When you are purchasing a puppy from us, we will go over with you the full care, feeding, training and any other questions you may have so you as a family will know the best way to raise your new 4-legged child. We will also provide you with a booklet of information to assist you on the care and basic questions that a new puppy owner may have. Florida law requires a puppy to be over 8 weeks old before it can go to its new home. Your puppy will have a series of shots and deworming up to the age it leaves here and into its new home. Your puppy will receive a full health exam & Health Certificate from a Veterinarian stating your puppy is in good health and clear of any infectious disease or parasite. Your puppy will also be microchipped by us, & we will register your puppy with AKC Reunite for you & your puppy will also be registered with and receive AKC papers.

The way we select the puppy with you goes by which pick of the litter you want and what price range you are wanting to pay. The cost will start at \$3000.00 and go up to 6500.00+ on the litters. Please note that we do not always have a last pick puppy in every litter since we strive to produce the best quality we can by certifying the health clearances on the parents with OFA(the Orthopedic Foundation for Animals)! Give us a price range that we can select your puppy from. They are selected like an overall beauty contest. We look at the structure, size, temperament, personality, the parents' bloodlines, titles, age of the puppy, etc.. Whatever you pick you will still be receiving a very healthy happy puppy with the longevity and strong genetics that Von Evman produces unlike other breeders! The first-place pick will cost the most then the second then third and so on. Please note that due to the quality of our Rottweilers we would like for new owners to book in advance so we can help you select the best puppy for you & your family.

A \$1000.00 binder is required to reserve a puppy which is part of the puppy's cost. If you have any questions please feel free to contact us by phone at 813-789-1301 **after work 6:00pm+ to 9:00pm**, visit our website at www.vonevmans.com or send an email by clicking the "Contact us". Do remember a lot of thought and preparation is involved in preparing information, paperwork, documentation, breeding and selecting your puppy and that requires payment of the binder. Once the binder is made; it is a commitment by the buyer to purchase a puppy and is therefore non-refundable. Please understand that you will not be paying for high vet bills and short lived Rotties from our selected blood lines we breed which in turns make the purchase of our puppies much less than any other breeders' puppies. Please give us a call if you need to discuss the questionnaire or availability of the litters. But please note that it takes time before we can select your puppy. At the age of 8 weeks the final evaluation will be completed with the Veterinarian. Von Evman Rottweilers will be more than helpful in assisting you with training and care for your new adopted family member. But please be very patient with us. We own and run a large plant Nursery and Farm that demands a lot of attention during the workday. If we have not responded back to you please try again since we like all businesses get bombarded with emails, phone calls, etc. and it is hard to sort out the junk from the important people.

Thank you for your time and consideration! Have a pleasant day!
